Foreword

Like the busy Hornets, students of Yadkinville High School have created a veritable "Hornets' Nest" of activities around the campus again this year. It has been the aim of the staff in preparing this book to record these activities of the "Hornets" so that the reader may see the members of the student body as they are --- industrious, interesting, intelligent; willing to work or play as a team; ready to defend with a vicious sting any who might attack them.

Dedication

Dedicating our Annual took a lot of thought and discussion because so many people have done so much to help us. We decided that to honor only one or two individuals would be inappropriate. It would have been very hard to make the choice. We chose an organization that includes all of these wonderful persons to whom we are very much indebted—the Parent-Teachers Association of Yadkinville High School. We know that often the dedication page in the Annual is overlooked, but it seemed necessary to express ourselves in some way with fullest sincerity for the contributions made. This rather modest organization, usually working behind the scenes, was almost entirely responsible for purchasing our activity bus. This same group has sponsored recreation programs for us and has given much-needed financial aid in school projects, from improving the grounds to buying softballs. We only hope that future students at our school will be fortunate enough to have such an active group of persons who perform so efficiently.

Class Poem

We the Seniors of '52
With a teardrop and a sigh
Recall our fondest memories--
Our days at Yadkinville High.

Tho the road was narrow and long,
And our hardships more than a few,
Our parents gave us hope to carry on
And the teachers, our strength to renew.

Twelve long years we've waited
For this day of honor and success,
Forgetting all misfortunes,
Remembering our days of happiness.

Now that our school days are ended
To our classmates we bid goodbye,
To the ones who us befriended,
And DEAR OLD YADKINVILLE HIGH.

Class History

Forty-seven seniors were graduated from Yadkinville High School on May 31, 1952. This, our class, was the largest ever to graduate here, but we had our meager beginning, too.

Ten students from Forbush Grammar School brought the total number of freshmen to seventy in 1948. Mr. B. S. Linville and Miss Arlene Williams had the somewhat dubious distinction of being our homeroom teachers. Scared and green, all seventy of us chose Betty Ann Anderson and Lewis Brumfield as our presidents. Besides our studies and other activities, we had lots of fun following the boys' basketball team which captured the Yadkin Valley Tournament. We picnicked at Reynolds Park in Winston-Salem. Ignorance was bliss because we enjoyed everything that year. By the end of the year we were beginning to adapt ourselves to this new mode of life, but by that time we were sophomores.

Miss Alice Dixon and Miss Mary Harding, as our homeroom teachers, were forced to listen to our silly giggles all year. This period of our high school history will forever be lost in oblivion, except for the fact that our boys' team won the Journal-Sentinel Tournament. We lost about one-third of our class these two years to jobs, marriages, and other schools.

In 1950, we emerged as jolly juniors. Were we busy that year! Our homeroom teachers were Mrs. Claude Davis and Miss Ethel Marie Hall, who has since become Mrs. Richard Kelly. Class presidents that year were Pattie Cranfill and Betty Jo Hutchens. Football was reinstated here for the first time in fifteen years. Sue Ratledge represented us in the Piedmont Bowl Beauty Contest. Immediately after school started, we began working for and arguing about the Junior-Senior Banquet. A new precedent was set by having the banquet at home in our brand-new gymnasium and high school building.

In February, several members of the United States History Class took a memorable jaunt to Williamsburg, Virginia. "Handle With Care" was our junior play. With Willie Grey Smith as chief, junior marshals were Sue Ratledge, Bonnie Williams, Betty Ann Kiger, Lois Wooten, and Lewis Brumfield. Of course, we picked daisies and cried when the Seniors of '51 left.

Beginning school in 1951 presented a new and pleasant change, since we were seniors. Miss Mary Harding and Mrs. Leo Wagoner were our sponsors. Lewis Brumfield was elected president of the class; Betty Jo Hutchens, vice president; Anne Speer, secretary; Geraldine Vestal, treasurer; and Willie Grey Smith, reporter. Right after school started, we received our rings, soon after electing Willie Grey Smith as the editor of our annual. Patsy Redding was our Piedmont Bowl representative. Things started rolling right in the spring of 1952 when the juniors gave us a lovely banquet. Then events began piling up in rapid succession—the play, an unforgettable trip to Washington, class night, and a picnic for the juniors. Graduation on May 31 was almost an anticlimax to this exciting whirl of happenings. With mixed emotions, each of us went our own way.

"Time marches on!"

School Song

by
Lewis Brumfield

We may come, we may go but we ne-ver will for-got the school that we love so

where many friends we've met. As the years pass on by our school will we a-dore re-call-ing with

a sigh the hap-py days of yore - We love our school, And Always we will be true, Yad

Kinville we we our colors white and blue, We will be loyal. We love our school, And always

we will gladly sing - Praises to the ^{the} best, [#] best of all, Dear old Yaddinville High.

Class Prophecy

The invitation read, "You are invited to a reunion of the Class of 1952 at three o'clock in the afternoon of June 3, at the Yadkinville Country Club." "Now who was in that class?" Mr. Buchanan found the 1951-'52 annual and turned to the Senior division.

The first picture in the class was that of Barbara Adams. "I passed Barbara and Tommy Williams Saturday afternoon coming back from Winston-Salem. They live up here and Tommy works in Winston. I noticed in the paper that Betty Ann Anderson has her driver's license. Hattie Branon and her husband, Santford Swaim, are living at Harmony Heights. Martha Branon was a secretary in New York the last time I heard from her. Marie Brown is working for Biltmore Dairy now; I remember she used to sell ice cream for them. I had a card from Lewis Brumfield postmarked Paris saying, 'I am having a fine time.' I filled out an application for Joe Cashion to coach at Yadkinville. Billy Castevens sent me two complimentary tickets to his new production at the Barter Theater, 'Here Is the Wind.' Bobby Castevens, who is a doctor in Elkin, came by to see if I wanted to go with him. Margaret Cheek is six times 'All American,' with Hanes Hosiery. I saw the former Georgia Church and three of her children in town Saturday afternoon. Last week I talked with Lessie Church Blevins, who is now a housewife in town. I noticed that Harce Dean Cornelius is the biggest taxpayer in the county. He must be doing well on his farm. Pattie Cranfill is now living in San Diego with her husband, Captain Marshall Haire. I buy groceries from Richard Driver in his Super Market. In the executive department of Chatham Blanketeers, I found Wilma Gentry doing her daily work. Lydia Hall, who has now settled in a small bungalow in the mountains, is happily married to Gene Garland. When I flew to Washington the other day, Peggy Hoots was the hostess on the plane. Patty Howell Hutchens and Paul have a nice home just below town. I heard that Congressman Stuffed-Shirt hired Betty Jo Hutchens as his secretary. Billy Cave won the Indianapolis race and Mary Nell Hutchens was seen kissing the winner. I found out that Reta Johnson is a nurse at the Baptist Hospital. I passed by a very prosperous-looking peanut farm in Center yesterday. It belonged to Leroy and Betty Ann Kiger Weatherman. Last summer when I was at the beach, I saw Nancy Carol Long and Miles Gray Gentry with their red-haired kids. Lawrence and Geraldine Vestal Nance have many acres and many children up in the country. They were married shortly after they both graduated from high school. Barbara Prim Trivette is still in jail since she married Byrd a few months ago. I read about Betty Ratledge being a famous hair designer on Fifth Avenue. The former Sue Ratledge is now living in Raleigh where her husband, Robert Gordon, is still connected with State College. After following Loretta Reavis through many beauty contests, I heard a report the other day that said she has now settled down to a quiet life with her husband. Patsy Redding is pursuing her art career in Raleigh. It is rumored that she is on her way to success. I understand that Fred Royal is a war hero in the Far East. At the recent meeting of the N. C. E. A., we elected Mary Sue Sheek as 'Teacher of the Year.' Willie Grey Smith is on the staff at the Lula Conrad Hoots Memorial as head nurse. While touring a nearby bakery, I talked with Allen Sneed, who makes buns. Time Magazine carried a story about Anne Speer and her missionary work in China. Dorothy Steelman told me that she had decided to remain at W. C. to be a secretary to the Dean. Nellie Todd is a receptionist for one of the prominent doctors in Winston-Salem. She dropped by for a visit with me not long ago. When I went through Statesville recently, I stopped to see my dentist, Dr. Eugene Wagoner. Velma Wagoner was at P.T.A. last week. She has a little girl in the third grade. Darold Weatherman drives his new '62 Ford to play ball with Hanes Hosiery. Hilda White told me recently that she and her family had moved into their new house near Yadkinville. She is busy caring for her house, husband, and children. I hear that Lloyd Willard was given a safe driver's badge for driving for the Greyhound Bus Company. Bonnie Williams is associate editor of a leading fashion magazine for women. Lois Wooten is now a model, whose picture is frequently seen in advertisements. Billy Wyatt is a well-known mechanic in Detroit."

"Just an average class," Mr. Buchanan thought. "They turned out fine."

Football

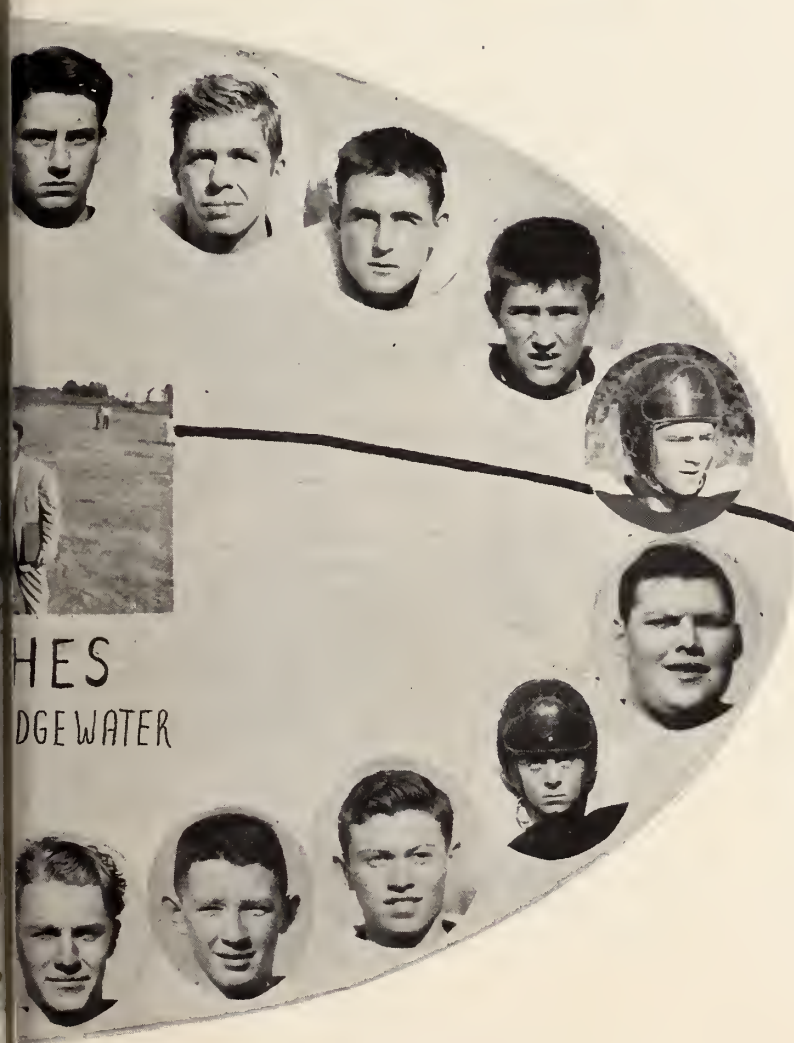

Yadkinville entered its second year of football with 25 boys. Early in the season the team suffered from injuries, losing some of the more experienced players. Though the seasons record was not exceptionally impressive, good sportsmanship among the squad was outstanding.

The team ran from a "T" and single-wing formation. The following was the line-up: right end, Byrd Trivette; right tackle, Donald Carter; right guard, Delano Dinkins; center, Joe Cashion; left guard, George Bray; left tackle, Gene Shelton; left end, Bobby Dinkins; quarterback, Robert Shore; left halfback, Jimmy Martin; full-back, Floyd Wilmouth; and right halfback, Harce Dean Cornelius.

This year the team loses six regulars: Harce Dean Cornelius and Joe Cashion, Co-Captains; George Gray, Byrd Trivette, Billy and Bobby Casstevens.

Coaching Staff

Bill B. Bridgewater, head coach, came to us from Leaksville High School, where he coached for the past three years. Coach Bridgewater, a native of Asheville, North Carolina, is a graduate of Lee H. Edwards High School. While in high school, he participated and was awarded letters in football, boxing, and baseball. He was a member of the Mythical State Championship Football Team in 1941. On his return from service he enrolled at High Point College, where he played three years of varsity football. He received his B.S. Degree in Physical Education from High Point College and his Masters Degree from the University of North Carolina.

John Wesley Mathis, assistant coach, is a native of Jonesville, North Carolina. Before graduating at Jonesville High, he played football, basketball, and baseball. While enrolled at Appalachian State Teachers College he played football and basketball. He received a B.S. Degree there during the past summer.

Girls' Basketball

Basketball has reigned as "king" of the sports at Yadkinville High School for another year. Fine play has marked the '51-'52 season as being among the best. As in the past, the teams have shown spirit of sportsmanship in every game of the season.

Mr. Bill B. Bridgewater came to this school to be head coach this year. Mr. Bridgewater attended High Point College and received his masters degree at the University of North Carolina. Boxing, baseball, and college football were some of the sports in which he participated. He was an aerial gunner during the war and was a prisoner in Germany for thirteen months.

First Row: Coach Bill B. Bridgewater, Sue Ratledge, Libby Smith, Willie Grey Smith, Margaret Cheek, Janet Haynes, Ouida Brown, Manager Annowee Pendergrass.

Second Row: Peggy Howell, Marlene Sprinkle, Hattie Branon, Frances Harding, Jean Hutchins, Bonnie Dinkins.

Third Row: Georgia Ann Cashion, Ethel Myers, Betty Ratledge, Gilly Ann Wagoner, Adelaide Hinshaw, Betty Redding.

Graduation set the girls back somewhat on the basketball court this year, but all in all the season has been a successful one. In November approximately forty girls put in their bid for a uniform. Competition was therefore extremely keen, but through much effort these girls usually drew the starting positions: forwards; Libby Smith, Janet Haynes, Ouida Brown, Peggy Howell, and Betty Ratledge. The guards who played most regularly were Margaret Cheek, Sue Ratledge, Willie Grey Smith, Hattie Branon, and Jean Hutchins.

An important source of strength came from the number of reserves that were capable of playing in any game. Betty Ratledge, Frances Harding, Adelaide Hinshaw, Marlene Sprinkle, Georgia Ann Cashion, and Bonnie Dinkins showed up well in several games.

The outstanding forwards of the year were Haynes, Smith and Brown. These girls took care of the scoring while Willie Grey Smith, Margaret Cheek, Sue Ratledge, Hattie Branon, and Jean Hutchins sparked the defensive play.

Both basketball teams at this school are indebted to the cheerleaders and to the cheering section for the support that they have given throughout the entire season. Every game was not won, nor was the going always smooth and easy; but whatever happened, the cheering section was ready to give their support to the teams.

In addition to the twenty scheduled games that they played, the girls were outstanding in two tournaments. The Yadkin Valley Conference tournament saw the girls go into the semi-finals. They defeated Beulah 37 to 17, Mt. View 23 to 18, and East Bend 23 to 20.

After being seeded number six, the Yadkinville girls traveled all the way to the finals in the Yadkin County Tournament. The team bowed out to Boonville in the final game. In reaching the finals, they defeated Courtney 23 to 18, and Jonesville 34 to 32.

First Row: Bobby Holcomb, Floyd Wilmouth, Robert Trivette, Darold Weatherman, Robert Shore.

Second Row: Sanford Willard, Delano Dinkins, Bobby Dinkins, J.E. Southard, Harce Dean Cornelius.

Third Row: Coach B.B. Bridgewater, Jimmy Martin, Robert Williams, Kent Cranfill, Dean Prim, Manager.

The Yadkinville basketball team, strengthened with experience and height, came back with nine men from last year. The big burden of the offense was carried by sharp-shooting Darold Weatherman, Bobby Holcomb, and Robert Trivette. Harce Dean Cornelius and Bobby Dinkins led the way on defense by controlling the backboards and by excellent ball handling.

There are only three seniors who will be missing from the team next year--Darold Weatherman, Harce Dean Cornelius, and Robert Trivette.

Bobby Holcomb, Bobby and Delano Dinkins, Floyd Wilmouth, Kent Cranfill, Robert Shore, and Robert Williams, will be expected to carry the burdens of the team next year.

The team used a man-to-man defense and a fast-breaking offense and set shots.

Yadkinville entered the '52 baseball season with nine lettermen back.

The pitching staff included three right-handers, Byrd Trivette, Floyd Wilmouth, and Bobby Holcomb. Don-
ald Carter held the hot spot behind the plate. Bobby Collins at first, Bobby Holcomb at second, Darold Weather-
man as short stop, and Thurmond Phillips at third made a very strong infield. In left field we had a veteran of
four years varsity baseball, Harce Dean Cornelius; in center field, Bobby Dinkins; and right field position, either
Johnny Reece, Robert Shore, or Delano Dinkins.

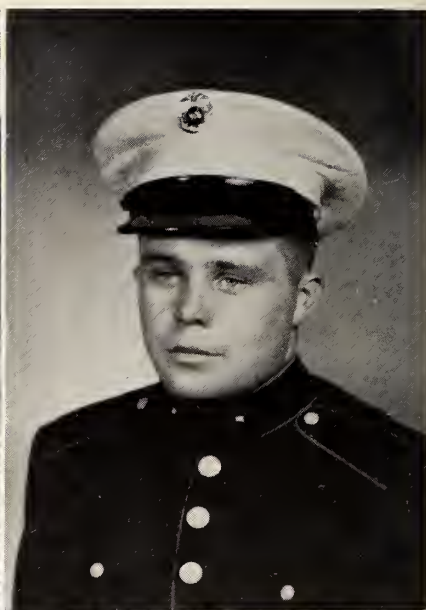

The "Hornets" lost only three men to graduation this year. They are Darold Weatherman, short stop; "Byrd"
